Price⁵	Destroyer 3 - \$8,545.00 / Destroyer 7 - \$9,245.00 Destroyer 14—\$10,245.00 / Destroyer 21—\$11,245.00	Bugbuster 28 - \$12,445.00 / Bugbuster 42—\$13,945.00 Bugbuster 50—\$14,945.00 / Bugbuster 60—\$16,445.00

- 1) Measurable using aqueous ozone test kit. Concentration varies by water quality, water flow rate (gpm) and temperature. 2) This concentration assumes 100% mass transfer of ozone to water which does not occur under standard conditions. 3) Option requires McClain Ozone Safety System. 4) Prices subject to change please call for most recent pricing.
